THANK YOU

Sir:

With all my gratitude, I wish to thank ICNA Relief Canada for its generous financial contribution to the *Fonds d'enseignement et de recherche Germain-Brisson - Fonds de bourses d'admission, d'excellence et d'implication de la Faculté des sciences de l'agriculture et de l'alimentation de l'Université Laval*. On behalf of all those who will benefit from your commitment to the promotion of university education in our society, I thank you for your donation.

Your interest and the quality of your actions are invaluable to the development of North America's leading francophone university. Your support of education is instrumental in training skilled individuals and building new knowledge.

With its high degree of excellence and the merit of its curricula, Université Laval stands apart as one of the best educational institutions in Canada. Through its intervention, ICNA Relief Canada is contributing to upholding the University's enviable reputation, allowing it to attract experienced professors and enthusiast students and offer an environment conducive to discovery by research scientists while playing a leading role in our society. The ensuing international influence benefits all graduates of Université Laval.

Once again, let me express my gratitude for your much appreciated support.

Yours truly,

ICNA Relief Canada
