OUR VISION

ICNA Relief Canada is committed to providing leadership in the empowerment of lives, the creation of meaningful opportunities, and strengthening the bonds that link all of humanity.

OUR MISSION

ICNA Relief Canada is committed to human service through the effective integration of resources to help people in need. We strive to provide immediate response in times of disaster and to implement programs that alleviate human suffering.

CHAIR'S MESSAGE

“

ICNA Relief Canada is committed to giving hope and bringing positive change to the lives of disadvantaged people around the world, regardless of race, gender, ethnicity, class, location, religion, color, cultural background, and political affiliation or social status.

Assalamu `Alaikum Wa Rahmatullah (Peace be with you and the Mercy of God):

ICNA Relief Canada is a department of ICNA Canada, whose vision is to build an exemplary Muslim community - a community focused on achieving personal excellence in faith, worship and morality - contributing to the moral, social and economic development of Canadian society as a whole. In keeping with this vision, ICNA Relief Canada is dedicated to empowering people in need, both locally and globally. We believe that our humble efforts can truly strengthen the bonds of humanity, particularly at a time when many communities are facing unprecedented social and economic challenges.

ICNA Relief Canada is committed to giving hope and bringing positive change to the lives of disadvantaged people around the world, regardless of race, gender, ethnicity, class, location, religion, color, cultural background, and political affiliation or social status. Thus, our motto is "No Borders, No Boundaries." We are dedicated to bringing a smile to people's faces by improving their quality of lives, ensuring we provide quality services with dignity.

In 2021, ICNA Relief Canada served more people and communities than ever before, spending in excess of over 9 million dollars. Many community development projects have been initiated. We work through our international partners who are capable of delivering effectively the relief work to reach out to millions of underprivileged people around the world, without any discrimination. This partnership model made us operate ICNA Relief Canada just under 4% management expense in 2021. Our slogan "No Borders, No Boundaries" is reflective of our mission. Our commitment is to bring positive change in everyone's life wherever we could.

ICNA Relief Canada's domestic programs include: Support our Hospitals, Settlement & Refugee Sponsorship, Youth Development, Family Counselling, Seniors' Support, Funeral Support and many more. Our food banks have been an important contribution towards our efforts of serving our fellow Canadians in need. We aim to continue building domestic projects in coming years to serve the communities locally.

We are striving to increase our services-based partnerships nationwide with Masjids and local communities. We are also working on redefining the ICNA Relief Canada organization structure and domestic programs in an effort to serve the local communities more effectively with more diverse programs and services that are needed in our communities across Canada.

All our projects are being monitored and audited by the team of dedicated members/directors to ensure the good governance at ICNA Relief Canada. The processes, procedures and policies are in place and are continuously reviewed to guarantee that the guidelines are being met correctly. ICNA Relief Canada is a community trust and we believe in answerability and transparency while disbursing the donated funds in the prescribed manner.

We always look forward to your continued support to sustain our relief projects. Please keep up the good work by contributing to our great causes to serve humanity.

Thank you and we look forward to your continued support!

Sincerely,

Sincerely,
Mazher Latif

EXECUTIVE DIRECTOR'S MESSAGE

“

The year 2021 has been a continuation of our success story, Alhamdulillah. We are grateful to our generous donors, committed supporters and passionate volunteers.

Assalam o Alaikum wrwb (Peace, mercy and blessings of Allah be upon you),

The year 2021 has been a continuation of our success story, Alhamdulillah. We are grateful to our generous donors, committed supporters and passionate volunteers. We would not have achieved milestones in delivering relief to many parts of the world and empowering vulnerable communities by building sustainable projects in the form of relief, education, healthcare, and clean drinking water resources without the support of our committed donors.

ICNA Relief Canada has been able to help millions of destitute people around the world by providing relief in disaster & emergency, education, orphan sponsorship, global zabiha, widow and women support, healthcare, and water for life. Through our orphan sponsorship program, over 6000 orphans have been supported in 2021.

We continued building purpose-designed educational institutes in Pakistan. Our 'water for life' cause has been a great interest and we have built hundreds of water projects including solar wells.

Locally, we continued to achieve success by serving fellow Canadians through our network of 11 food banks and resource centres across Canada. We continued supporting our hospitals by providing funds as well in-kind donations. Our 'Settlement and Refugee Sponsorship' (SRS) project has been effective in bringing vulnerable refugee families to Canada.

A few glimpses of our humble efforts and your generous contributions for many successful projects have been reflected in Annual Report 2021.

We are grateful to Allah Almighty for granting us the ability to continue serving humanity with our endeavours and we are thankful to our wonderful donors who are the 'real stakeholders' of our charity.

We look forward to having your continued support for the international and domestic initiatives of ICNA Relief Canada.

Shaukat Hussain

INTERNATIONAL PROGRAMS

DISASTER & EMERGENCY RELIEF

ICNA Relief Canada endeavours to respond as quickly and effectively as possible to major international emergency and disaster situations by providing humanitarian aid in essentials such as: food, clean drinking water, shelters, medical assistance, and educational resources. Over the years, ICNA Relief Canada has developed a reliable and growing network of local and regional NGOs (independent non-governmental organizations) who assist us in the delivery of our programs.

In 2021, ICNA Relief Canada spent over 1.25 million dollars for emergency relief. Our reliable local partners provided emergency relief for the Uyghur and Rohingya people,

as well as people from Bangladesh, India, Lebanon, Pakistan, Somalia, Sri Lanka, Syria, and Yemen.

EDUCATIONAL RELIEF

A good educational system is paramount to a nation's success. ICNA Relief Canada continued investing in education, school building, and infrastructure improvement to ensure sustainable community development.

This is in addition to educational programs that ICNA Relief Canada supports for orphan children under our Orphan Sponsorship Program (OSP) in over 10 countries. In 2020, ICNA Relief Canada spent about half a million dollars for educational support and relief initiatives in Pakistan, India and for the Rohingya children. The projects included construction, renovation and/or expansion of primary schools, post-secondary education scholarships, skill enhancement programs, provision of school supplies such as desks, uniforms, and other financial support for schools. Many of the most destitute people benefitting from our educational projects live in regions and countries suffering from abject poverty, war, or natural disasters. We run three childcare homes for Rohingya children in

Bangladesh providing quality education, midday meals, and all necessary school supplies as well as school uniforms.

QURBANI

We provide a vital and very convenient service to Canadian donors who wish that their sacrificial meat be of benefit to the less privileged. On behalf of those donors, ICNA Relief Canada arranges animal sacrifices in different countries through its Global Zabiha Program and Sadaqa & Aqeeqa project. We make sure that our local partners distribute the sacrificial fresh meat to those who rarely have the opportunity to get meat or protein in their daily meals. In 2021, ICNA Relief Canada spent close to 1 million dollars for Global Zabiha, an initiative that benefitted over 5 million needy people in 24 countries with the enjoyment of fresh meat on Eid-ul-Adha.

SADAQA & AQEEQA

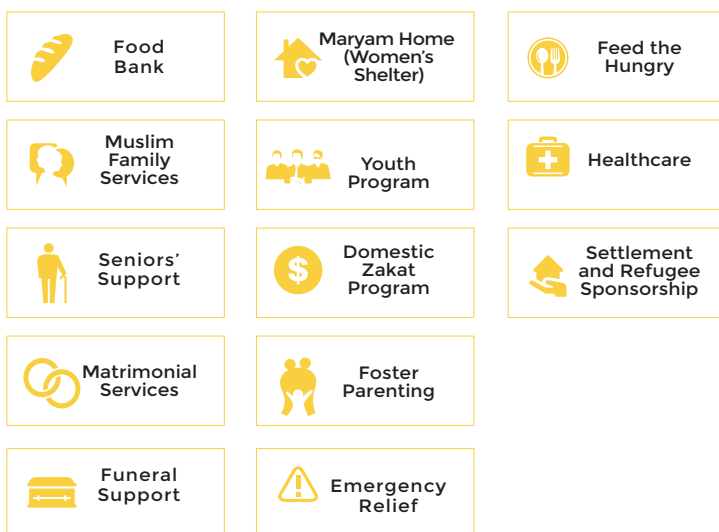

DOMESTIC PROGRAMS

ICNA Relief Canada operates resource centres in 12 cities across Canada:

Brantford, ON	Ottawa, ON
Calgary, AB	Scarborough, ON
Edmonton, AB	Surrey, BC
Milton, ON	Thorncliffe, ON
Mississauga, ON	Winnipeg, MB
Montreal, QC	St. John's, NL

Each resource centre aims to provide the following 13 programs:

FOOD BANK

The food bank is the main component of all of ICNA Relief Canada's twelve resource centers that are; always inclusive, open to all, ensure quality services, maintain recipients' dignity, and provide halal food hampers along with other basic supplies to the families in need every month. In 2021, ICNA Relief Canada's twelve food banks served 38,560 individuals (10,268 families) across Canada by providing them monthly halal food hampers, basic supplies, winter clothes, back to school hampers, and special Ramadan and Eid hampers. Over \$1,000,000 was spent for the food banks in 2021.

ICNA Relief Canada's food banks collaborate with the mainstream food banks by running food drives for them and receiving food supplies from them regularly, as needed. ICNA Relief Canada's food bank in Mississauga is supported by the Mississauga Food Bank, the Thorncliffe Food Bank is supported by The Daily Bread, and the Sadaqa Food Bank, Ottawa is supported by the Ottawa Food Bank. Our food bank in Brantford supports local food banks and shelters such as the Six Nations Food Bank and Brantford Food Banks. Additionally, our food banks are regularly supported by many corporations and community organizations.

MUSLIM FAMILY (COUNSELLING) SERVICES

In 2021, 160 people have received free counseling services by the professional counsellors under this initiative for their emotional and psychological wellbeing as well as for their family and youth issues.

SENIORS' SUPPORT

Aging can create many challenges for our seniors, some of which increase their susceptibility to depression and other illnesses. Lack of attention and access to opportunities for healthy socialization can worsen many adverse situations for the elderly. ICNA Relief Canada's seniors' support program aims to engage seniors in culturally inviting and inclusive environments. Virtual and in-person sessions such as social networking, tours, computer classes, skill programs, monthly

info sessions, exercise, and games were organized in 2021 by our resource centres for the seniors in partnership with different agencies.

MATRIMONIAL SERVICES

Finding suitable marriage partners for Muslims in Canada has become a major need and challenge for many families. To alleviate some of the challenges of this regard, ICNA Relief Canada launched a free, fully functional matrimonial service in July 2012. Since its inception, this initiative has been welcomed with great enthusiasm and is constantly evolving. Prospective candidates and their families are invited to register on the ICNA Relief Canada website and consult with our matrimonial services team. In 2021, over 289 families registered for ICNA Relief Canada's matrimonial service. Additionally, many people received pre-marital counselling services to better prepare for marriage.

FUNERAL SUPPORT FUND

Today, the cost of purchasing a grave plot and even the most modest funeral arrangements for a departed loved one may often reach into thousands of dollars. For many, these expenses are simply unaffordable and cause individuals dealing with grief to turn to others for financial aid. To alleviate this challenge, ICNA Relief Canada has established a funeral support fund to assist the extremely needy families in covering the needed costs related to funerals in addition to available government and community support. In 2021, ICNA Relief Canada collected \$15,494 for this project and disbursed \$20,570 to assist five families for burial.

FOSTER PARENTING

Foster parenting is a model whereby trained foster parents provide temporary care to children in safe, nurturing, and healthy family environments when the children's own families are unable to do so for various reasons. ICNA Relief Canada's foster parenting initiative connects families interested in becoming foster parents with their local Children's Aid Society (CAS). ICNA Relief Canada also organizes seminars, workshops, khutbahs, and

presentations in raising awareness and provides guidance on how to become a foster parent, especially within the Muslim community. In 2021, ICNA Relief Canada provided necessary information to the community on a regular basis and organized awareness seminars in different cities as part of this project and collected \$6,087.

DOMESTIC ZAKAT PROGRAM

Each year, ICNA Relief Canada receives countless applications for financial assistance from needy Muslim Canadians. After a careful assessment, ICNA Relief Canada provides a reasonable and dignified one-time amount of monetary relief from its Zakat fund to the applicants with greatest need to alleviate their financial burden. In 2021, Alhamdulillah, fifty-four deserving Canadian Muslim families received \$54,310 in financial assistance from ICNA Relief Canada's Domestic Zakat Fund.

YOUTH PROGRAMS

Youth Leadership Development Program (YLDP): Each summer, the YLDP helps impart valuable skills to high school students through a creative "learning while doing" approach. The program consists of seminars and exciting

field projects in personal development, organization, communication, community activism, and social skills. Due to COVID-19, all programs of the YLDP were postponed since 2020.

WOMENS' SHELTER (MARYAM HOME)

In 2015, ICNA Relief Canada purchased a property in a stable and secure Mississauga middle-class neighborhood to create a space for women fleeing abusive relationships and looking for a safe living environment. Maryam Home aims to welcome all women needing shelter and seeks to primarily help single Muslim women from the Greater Toronto Area who find themselves in abusive and/or threatening situations. This temporary residence will serve halal food and provide its female residents with a variety of culturally compatible counselling and spiritual wellness services. Qualified caregivers and staff will help them return to living normal, respected, and dignified lives. Due to zoning issues, ICNA Relief Canada is in the process of relocating Maryam Home. Until then, Maryam Home is hosting different programs for women, youth and seniors to continue to empower them in a safe space.

SETTLEMENT AND REFUGEE SPONSORSHIP (SRS) PROGRAM

In October 2015, ICNA Relief Canada launched its "Settlement & Refugee Sponsorship" program, also known as SRS, aiming to bring one hundred refugee families to Canada. Alhamdulillah, 90 refugee families (281 individuals) from 3 different ethnic backgrounds (Syrians, Iraqi and Rohingya) have safely arrived in Canada in the last six years (2016-2021) through this initiative. In 2021, two families came to Canada and settled in Windsor, ON.

INTERNATIONAL VISITS

Members of the ICNA Relief Canada team periodically visit international projects to ensure service quality, accountability, transparency, progress, and share constructive feedback with partners. Additionally, this serves the purpose of identifying potential projects and programs that ICNA Relief Canada may initiate or support in the future. In 2021, ICNA Relief Canada's teams travelled to Pakistan and Turkey to visit ongoing projects, meet local partners, and gather the information presented for our esteemed donors.

PAKISTAN

In October, ICNA Relief Canada's Chair Mazher Latif visited our college at Bhimber, checking on the quality of education offered to our students, 34 of which are students supported by our projects and are among the top 20 percent of students who showed excellent performance in their final examinations.

In November, ICNA Relief Canada's President, Mohammad Ijaz, and Executive Director, Shaukat Hussain, visited various schools and healthcare facilities supported through our projects to learn more about the progress of these projects and ensure the best services are continuing to be provided to those who use these services.

TURKEY

In November, ICNA Relief Canada's President, Mohammad Ijaz, and Executive Director, Shaukat Hussain, visited the Oasis of Urfa, our orphanage for Syrian refugee girls, to inaugurate the orphanage in Sanliurfa, Turkey. This orphanage provides over 100 Syrian refugee girls with the necessities of life and opportunities to improve their education in order to achieve a much brighter future.
