REGISTRATION FORM – 2025

WHAT IS YLDP?

YLDP is a unique experiential leadership training program designed to impact the practical skills and hands-on training needed to become youth leaders. It's a 20-hour course spread over 5 Saturdays or Sundays for in-class sessions with weekly themes and 20-hours of exciting team projects in between in-class sessions. Participants will be divided into teams and each team will be given a mentor to guide them through team projects. The participants will graduate from the program equipped with skills required to be able to succeed in the real world.

PROJECT COMPETITION

By the end of the program, using their newly acquired skills, teams will come up with a proposal for a creative project idea of their choice. **The three best project proposals will be selected and funded to give these newly trained youth leaders an opportunity to implement their ideas in real-life situations.** The best project team members will be given exciting awards.
