

ICNA Relief Canada
No Borders - No Boundaries

Serving Humanity Since 1997

Introduction

About Us

ICNA Relief Canada is a part of global humanitarian relief and development efforts responding to human suffering in emergency and disaster situations around the world. In addition to our emergency relief efforts, resulting from natural or human-caused catastrophes, we also maintain long term aid and development programs.

Our Vision

ICNA Relief Canada is committed to providing leadership in the empowerment of lives, the creation of meaningful opportunities, and strengthening the bonds that link all of humanity.

Our Mission

ICNA Relief Canada is committed to human service through the effective integration of resources to help people in need. We strive to provide immediate response in times of disaster and to implement programs that alleviate human suffering.

Letter from ICNA Relief Canada Management

Assalamu ` Alaikum Wa Rahmatullah (Peace be with you and the Mercy of God):

ICNA Relief Canada is a department of ICNA Canada, driven by a vision to nurture an exemplary Muslim community – one dedicated to personal excellence in faith, worship, and morality, while actively contributing to the moral, social, and economic advancement of Canadian society as a whole. In alignment with this vision, ICNA Relief Canada remains steadfast in its commitment to empower those in need, both on local and global scales. We firmly believe that our modest endeavors can fortify the ties of humanity, especially during times when numerous communities face unparalleled social and economic challenges.

At ICNA Relief Canada, our mission is to provide hope and usher in positive transformations in the lives of marginalized individuals worldwide, regardless of their race, gender, ethnicity, socioeconomic class, geographical location, religion, cultural background, or political affiliation. Our motto, "No Borders, No Boundaries," embodies our dedication to spreading smiles by enhancing the quality of life and delivering services with utmost dignity.

In 2022, ICNA Relief Canada extended its reach to more people and communities than ever before, embarking on numerous community development projects. We collaborate closely with our international partners, who excel in efficiently delivering relief efforts to millions of underprivileged individuals globally, without any discrimination. Our slogan, "No Borders, No Boundaries," mirrors our resolute mission to foster positive change in every corner of the world.

Within Canada, ICNA Relief Canada's domestic programs encompass a broad spectrum of initiatives, including support for hospitals, settlement and refugee sponsorship, youth development, family counseling, senior support, funeral assistance, and much more. Our food banks have played a vital role in our mission to aid fellow Canadians in times of need. We remain dedicated to constructing further domestic projects in the years ahead to better

serve our local communities.

We are committed to enhancing our nationwide service-based partnerships with mosques (Masjids) and local communities. Additionally, we are diligently redefining the organization structure of ICNA Relief Canada and its domestic programs, aiming to better serve local communities with a wider array of programs and services tailored to the needs of communities across Canada.

All our projects are rigorously monitored and audited by a team of devoted members and directors to ensure the highest standards of governance at ICNA Relief Canada. Our processes, procedures, and policies are not only in place but are also continuously reviewed to ensure that they are adhered to meticulously. ICNA Relief Canada is a community trust, and we firmly uphold principles of accountability and transparency when disbursing donated funds in accordance with prescribed guidelines.

We eagerly anticipate your continued support to sustain our relief projects. Your continued contributions to our noble causes are a beacon of hope for those in need.

With heartfelt gratitude, we thank you for your unwavering support.

Sincerely,

ICNA Relief Canada Management

Disaster & Emergency Relief

ICNA Relief Canada endeavours to respond as quickly and effectively as possible to major international emergency and disaster situations by providing humanitarian aid in essentials such as: food, clean drinking water, shelters, medical assistance, and educational resources. Over the years, ICNA Relief Canada has developed a reliable and growing network of local and regional NGOs (independent non-governmental organizations) who assist us in the delivery of our programs.

In 2022, ICNA Relief Canada spent over \$900K+ dollars for emergency relief. Our reliable local partners provided emergency relief for the Uyghur and Rohingya people, as well as people from Bangladesh, Pakistan, and Nepal.

Educational Relief

A good educational system is paramount to a nation's success. ICNA Relief Canada continued investing in education, school building, and infrastructure improvement to ensure sustainable community development.

This is in addition to educational programs that ICNA Relief Canada supports for orphan children under our Orphan Sponsorship Program (OSP) in over 10 countries. In 2022, ICNA Relief Canada spent around \$1 million for educational support and relief initiatives in Pakistan and Sierra Leone, and for Uyghur refugees. The projects included construction, renovation and/or expansion of primary schools, post-secondary education scholarships, skill enhancement programs, provision of school supplies such as desks, uniforms, and other financial support for schools. We are serving the poorest children and adults from rural and slum areas. Many of the most destitute people benefitting from our educational projects live in regions and countries suffering from abject poverty, war, or natural disasters. We run three childcare homes for Rohingya children in Bangladesh providing quality education, midday meals, and all necessary school supplies as well as school uniforms.

Global Zabiha / Udhiya / Qurbani

We provide a vital and very convenient service to Canadian donors who wish that their sacrificial meat be of benefit to the less privileged. On behalf of those donors, ICNA Relief Canada arranges animal sacrifices in different countries through its Global Zabiha Program and Sadaqa & Aqeeqa project. We make sure that our local partners distribute the sacrificial fresh meat to those who rarely have the opportunity to get meat or protein in their daily meals. In 2022, ICNA Relief Canada spent over \$700,000 for Global Zabiha, an initiative that benefitted over 1 million needy people in 16 countries with the enjoyment of fresh meat on Eid-ul-Adha.

Domestic Programs

Each resource centre aims to provide the following 13 programs:

 Food Bank	 Maryam Home (Women's Shelter)	 Feed the Hungry
 Muslim Family Services	 Youth Program	 Healthcare
 Seniors' Support	 Domestic Zakat Program	 Settlement and Refugee Sponsorship
 Matrimonial Services	 Foster Parenting	
 Funeral Support	 Emergency Relief	

Food Bank

The food bank is the main component of all of ICNA Relief Canada's eleven resource centers that are; always inclusive, open to all, ensure quality services, maintain recipients' dignity, and provide halal food hampers along with other basic supplies to the families in need every month. In 2022, ICNA Relief Canada's nine food banks served 49,702 individuals (12,618 families) across Canada by providing them monthly halal food hampers, basic supplies, winter clothes, back to school hampers, and special Ramadan and Eid hampers. Over \$1.5 million was received for the food banks in 2022.

ICNA Relief Canada's food banks collaborate with the mainstream food banks by running food drives for them and receiving food supplies from them regularly, as needed. ICNA Relief Canada's food bank in Mississauga is supported by the Mississauga Food Bank, the Thorncliffe Food Bank is supported by The Daily Bread, and the Sadaqa Food Bank, Ottawa is supported by the Ottawa Food Bank. Our food bank in Brantford supports local food banks and shelters such as the Six Nations Food Bank and Brantford Food Banks. Additionally, our food banks are regularly supported by many corporations and community organizations.

Muslim Family (Counselling) Services

In 2022, 127 people have received free counseling services by the professional counsellors under this initiative for their emotional and psychological wellbeing as well as for their family and youth issues.

Seniors' Support

Aging can create many challenges for our seniors, some of which increase their susceptibility to depression and other illnesses. Lack of attention and access to opportunities for healthy socialization can worsen many adverse situations for the elderly. ICNA Relief Canada's seniors' support program aims to engage seniors in culturally inviting and inclusive environments. Virtual and in-person sessions such as social networking, tours, computer classes, skill programs, monthly info sessions, exercise, and games were organized in 2022 by our resource centres for the seniors in partnership with different agencies.

Foster Parenting

Foster parenting is a model whereby trained foster parents provide temporary care to children in safe, nurturing, and healthy family environments when the children's own families are unable to do so for various reasons.

ICNA Relief Canada's foster parenting initiative connects families interested in becoming foster parents with their local Children's Aid Society (CAS). ICNA Relief Canada also organizes seminars, workshops, khutbahs, and presentations in raising awareness and provides guidance on how to become a foster parent, especially within the Muslim community. In 2022, ICNA Relief Canada provided necessary information to the community on a regular basis and organized awareness seminars in different cities as part of this project.

Domestic Zakat Program

Each year, ICNA Relief Canada receives countless applications for financial assistance from needy Muslim Canadians. After a careful assessment, ICNA Relief Canada provides a reasonable and dignified one-time amount of monetary relief from its Zakat fund to the applicants with greatest need to alleviate their financial burden.

Youth Programs

Youth Leadership Development Program (YLDP): Each summer, the YLDP helps impart valuable skills to high school students through a creative "learning while doing" approach. The program consists of seminars and exciting field projects in personal development, organization, communication, community activism, and social skills.

Womens' Shelter (Maryam Home)

In 2015, ICNA Relief Canada purchased a property in a stable and secure Mississauga middle-class neighborhood to create a space for women fleeing abusive relationships and looking for a safe living environment. Maryam Home aims to welcome all women needing shelter and seeks to primarily help single Muslim women from the Greater Toronto Area who find themselves in abusive and/or threatening situations. This temporary residence will serve halal food and provide its female residents with a variety of culturally compatible counselling and spiritual wellness services. Qualified caregivers and staff will help them return to living normal, respected, and dignified lives. Due to zoning issues, ICNA Relief Canada is in the process of relocating Maryam Home. Until then, Maryam Home is hosting different programs for women, youth and seniors to continue to empower them in a safe space.

Settlement and Refugee Sponsorship (SRS) Program

In October 2015, ICNA Relief Canada launched its "Settlement & Refugee Sponsorship" program, also known as SRS, aiming to bring one hundred refugee families to Canada. Alhamdulillah, 90 refugee families (281 individuals) from 3 different ethnic backgrounds (Syrians, Iraqi and Rohingya) have safely arrived in Canada in the last seven years (2016-2022) through this initiative. In 2022, one family came to Canada and settled in Windsor, ON.

2019	17	52
2020	3	9
2021	2	2
2022	1	6

This is a national program. Thus, our families settled in 16 different cities across Canada:

City	# of families	# of people
Brampton	2	11

Total	90	287

*A family first arrived in Saskatoon then moved to Edmonton

ICNA Relief Canada could not have achieved this without our sponsoring groups, group leaders, donors, and volunteers and their continued generosity, support, and trust. With the

support of our generous and dedicated local sponsoring groups, ICNA Relief Canada provided full settlement and financial support to each of these families for at least for one year starting from the day they arrived in Canada.

Healthcare

Through this program, ICNA Relief Canada has pledged to support initiatives by local communities to help our Canadian hospitals.

Feed the Hungry

In addition to our eleven food banks that provide staple food for the needy, through our "Feed the Hungry" program, ICNA Relief Canada provides healthy and hot cooked meals to homeless people through different shelters and community partners.
